Dear Friends,

IPI's journey in past twelve months has been filled with new dreams, learnings, strategic initiatives, securing prestigious new projects, fun-filled moments with IPI family and unexpected Global Pandemic.

Being at the forefront in Golf industry for more than 25 years, we

have never stopped dreaming for more. Never-ending desire to exceed customer satisfaction and winning their trust and confidence has always driven us to run that extra mile.

I would like to thank our esteemed partners TORO and YAMAHA who have stood by us as our pillars of strength in shaping our dreams and travelling with us through this journey.

Since our inception, we have believed in winning the hearts of our clients in becoming their partners of choice by offering the best-in-class quality products backed up with our dedicated site-specific service support.

Our entire team has been working tirelessly through these challenging times to support the maintenance activities wherever possible, while following Covid-19 preventive measures. I am proud to say that some of our team members in Karnataka have been travelling with their camping gear for overnight stay during their out-station site visits due to non-availability of hotels/restaurants.

This is an expression of our belief in our motto "IPI ... There for you, always!"

On behalf of IPI family, I would like to extend our warm wishes to all of you to stay safe and healthy! Even though, our world is facing unusual challenges, let us all join together to build our dreams, even bigger and stronger!

IPI Service Team camping en-route to customer sites

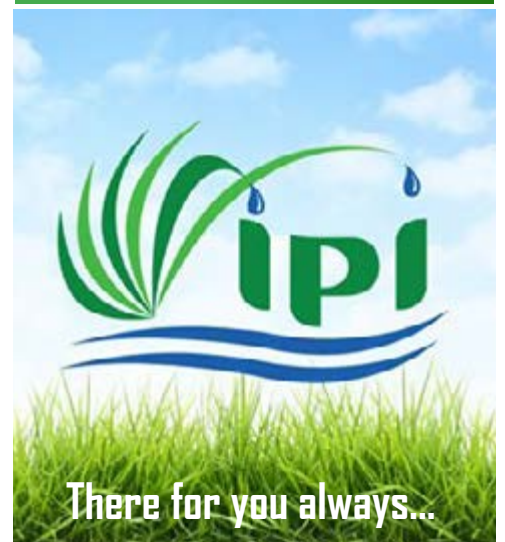

IPI was quick to put in place IT infrastructure to enable its back-office team to operate from the safety of their homes to ensure uninterrupted service to its customers during the on-going lockdown. This was possible with the great

support of our IT department. Special thanks to our *IT Head - Mr. Kumaraswami* who has rendered remarkable contribution in setting up the technical support to help us continue our business activities remotely without much hassles.

IPI'S SOCIAL RESPONSIBILITIES - Distribution of Ration kits to Caddies

Social responsibility and reaching out to the poor and needy has been our key concern during the crisis like COVID-19.

IPI joined hands with the KVGC golf community in noble cause to provide the ration kits to the caddies who lost their daily earnings due to the closure of Kharghar valley golf course for play. IPI's KVGC Operation team has been regularly distributing the ration kits to the caddies. Around 50 families has been provided this support during each distribution. A great appreciation goes to KVGC GOLF COMMUNITY.

IPI – TORO HAS BEEN AWARDED A NEW GOLF PROJECT - Haldi Golf County

Haldi Golf County is the new 18 hole championship course, being developed to international standards and specifications.

This will be the first golf course in India with advanced Lynx Smart Satellite and central controlled system – The most innovative technology from TORO Irrigation.

"I strongly believe that Toro has the most innovative water management solution related to irrigation or I wouldn't be continually choosing TORO" said Mr. Reddy, who chose IPI - TORO once again after his successful experience at his earlier Golf Course project.

Haldi Golf County is one of the premium projects, by the riverside at MasaiPeta in Telangana, IPI is proudly

associated with the development of this golf gated community.

The par-72, 6720 yardage course is being designed by Phil Ryan of Pacific Coast Design. The magnificent view of the golf course is enhanced by its location near Donti Vagu and Haridra Nadi, with

an in-house golf academy to train juniors and new golfers in an eco-friendly environment immersed in the nature.

The course is going to have a clubhouse offering some of the best facilities, premium residential units and a 5-star resort.

BOMBAY PRESIDENCY GOLF CLUB GOES FOR IPI-TORO

The Bombay Presidency Club (BPGC), being the oldest club in Mumbai City, has a special place in India's golf history. Built in 1927, It was originally designed by five-time British Open champion Peter Thompson and redesigned by Nelson & Haworth. It has hosted several prestigious tournaments including the "Indian Open".

To meet the demanding maintenance practices of the course, the managing committee of BPGC undertook serious field study on the Equipment used in different courses and looked for

proven and committed After sales service support to protect their investment. Finally managing committee recognised the Superior Build Quality of Toro and IPI's Long and committed After sales service support to the Indian Golf industry. Thereby choosing Toro – IPI as their preferred Turf Maintenance Equipment supplier and service provider.

Toro – IPI is proud to be associated with BPGC and remains committed to extend its unmatched after-sales support to meet the expectations of BPGC.

NEW FLEET OF TORO EQUIPMENT AT KARNATAKA GOLF ASSOCIATION (KGA)

New Fleet of TORO Equipment at Karnataka Golf Association (KGA). IPI - TORO takes pride in being the trusted supplier for Turf Maintenance Equipment and recently delivered a new fleet of Equipment. The performance of TORO Equipment is much appreciated by the course maintenance Team and the Golfers at KGA. IPI - TORO is delighted with

the recent review conducted by Troon Golf who has rated KGA at 73% as against 33% in the month of May 2019. This fantastic improvement was truly due to the synergy of a professionally managed team under the direct supervision of Troon Golf and the unmatched support provided by IPI on the maintenance of TORO Turf Equipment.

KGA PREMIER LEAGUE

The KGA Premier League with which Yamaha Golf Car is proud to have been associated as the title sponsor, was a stupendous success! The League has been first-of-its kind amateur intra-club league that

became a big hit and drew attention of golf courses all around the country. The grand finale was held on 21st December 2019 and the winning team was 'Fanzart'. "Congratulations to them"!

STATE-OF-THE-ART IRRIGATION SOLUTIONS FOR PONDICHERY CRICKET GROUND

Cricket Association of Pondicherry (CAP), which is the youngest and emerging association has taken up the initiatives in building one of the best integrated cricketing infrastructure. IPI takes pride in its partnership with CAP in providing complete design and to build Toro Fully Automatic Controlled Irrigation system for all its grounds and practice areas.

CAP's main ground has been recently fitted with flood lights to conduct day / night matches.

SRMC HOCKEY FIELD WITH OUR TORO TS170 SPRINKLERS

Sri Ramachandra's Centre for Sports Science – Chennai: IPI is proud to be associated with Sri Ramachandra's Centre for Sports Science Chennai which has been chosen as a Centre of Excellence by the Asian Football Confederation (AFC). CSS is the first facility in the Country and in the Sub- Continent

to receive the AFC honor. IPI has installed Toro-Perrot Automatic Sprinkler Irrigation System for their Soccer ground as well as synthetic turf Hockey Field. Toro-Perrot Automatic Pop-up Sprinklers with their large radius of coverage provide an ideal solution for sports fields as it can be installed around the outer perimeter

of the playing ground. Toro-Perrot Automatic Sprinklers provide also the flexibility for fine-tuning any watering requirement as it gives true head-to-head coverage, and compensates for windy conditions.

A perfect solution for Sports fields!

GASOLINE YAMAHA CAR AT BELGAUM GOLF ASSOCIATION

The recent supply of Yamaha's latest new QuietTech with Electronic Fuel Injection system boasts the lowest decibel output of any gas car and features the industry's first-ever Independent Rear Suspension on a golf car. This unprecedented combination ensures the players experience a luxuriously quiet ride. "At 45 MPG and less hydrocarbon emissions than any other petrol golf car, Belgaum Golf Association choosing QuietTech EFI was the most sound business decision we could make for our golf course" said Mr. Vinayak Shakthi – of Belgaum Golf Association.

YAMAHA FLEET CROSSES HALF-CENTURY MARK AT DGC

TORO TECHNICAL TRAINING FOR IPI SERVICE TEAM

IPI Service team received Bi-Annual training program led by Steven Timms, Technical Specialist from Toro Australia. His sessions covered various subjects under Toro

University Learning Management System Curriculum including new products and technologies, troubleshooting skills and so on. IPI - Toro places highest importance

to continuous education through well-structured technical Trainings. These programs have helped us to extend unmatched after sales services to our esteemed Clients.

TECHNICAL TRAINING AT KALHAAR BLUES AND GREENS

Turf machinery represents a large investment for any golf course. In order to get optimum performance at the lowest cost of ownership, it is important to implement preventive maintenance system and proper operational guidelines at customer workshops.

In line with IPI - Toro's commitment to support the industry by Skill development of Equipment Technicians, IPI conducted the service training. More than 15 Technicians from

various golf courses in Ahmedabad participated in this training program – to cover important topics such as “Turf Equipment Preventive Maintenance Practices, Reel Mowers Cutting Unit Set up, Adjustment and Maintenance“. It was an effective preventive maintenance program which included equipment inspections, scheduled service based on manufacturer recommendations and replacement of parts as needed along with service intervals based on hours of operation.
